The minutes of the September 11, 2019 town board meeting were reviewed. Bob made a motion to accept the minutes as written, seconded by Lowell. Motion passed unanimously.

Multimodal Local Supplement (MLS) program webinar and discussion – The board viewed the training webinar. The board will submit Bluff Road just before Sweno to Howard to this program. Lowell said this is the busiest road in our township, heavily traveled, including sod and farm operations, and it feeds into the City industrial park. We will need to determine whether the road needs to be widened and associated costs, like culverts, shouldering, and striping.

Other town business – None

Bob made a motion to adjourn at 10:10am, seconded by Lowell. The motion passed unanimously.

Respectfully submitted by Carrie Hintz, Clerk/Treasurer
